Dear Heritage House Museum Supporters,

The Heritage House Museum is a place where the past comes alive, connecting us with the rich stories and traditions that have shaped our region.

The Heritage House Museum of Orange County board of directors appreciates all of the support you have given in recent years. We have made it through hurricanes, a pandemic, and a vigorous remodeling project to our campus. 2024 and 2025 gave us a lot of time to regroup and make plans for our future.

However, maintaining our museum requires the collective effort and generosity of individuals like you. Today, I am writing to invite you to join us in preserving and enhancing this cornerstone of Orange County's heritage.

Your contributions enable us to:

1. **Preserve History**: Restore and maintain the historic artifacts, exhibits, and structures that make the Heritage House unique.
2. **Educate Future Generations**: Provide educational programs and experiences for schools, families, and visitors of all ages.
3. **Host Community Events**: Offer a venue for cultural events, exhibitions, and celebrations that strengthen our community bonds.

The Heritage House Museum of Orange County events and activities are funded through volunteers, donor contributions, and grants. Every contribution, no matter the size, makes a meaningful impact. Whether you choose to give a monetary donation, sponsor a specific program, or volunteer your time, your support is deeply appreciated.

Donations can be made by mailing a check to the address listed below. If you would like to discuss sponsorship opportunities or other ways to get involved, please don't hesitate to contact us.

Thank you for considering this opportunity to invest in the Heritage House Museum of Orange County. Together, we can ensure that this vital piece of our history continues to inspire and educate for generations to come.

Grateful for you,

Jody Chesson
